

# Teen Mentoring!

## Dear Parent:

We are currently looking for new Teen Mentors for the next school year.

Does your **TEEN** have what it takes to be a **TEEN MENTOR**?

- **A Teen with leadership skills who would be a positive role model?**
- **A Teen making healthy choices and who could offer a reliable friendship?**

If your **TEEN** would make a good addition to the program, please submit their name and contact information. We will then contact the Teen directly to provide information on how to get involved.

This Program is Proudly Supported By:

As a **TEEN MENTOR**, the secondary school student visits a middle school student at a local school for **one hour** per week for the duration of the school year. By doing so, they are creating a relationship based on friendship and sharing in **fun** and **learning** activities.

**TEEN MENTORS** make a **difference** in their community while sharpening their **leadership skills**, gaining valuable **volunteer experience** for their resume and having **fun** while doing so.
